

## Bird feeders

Step 1- Put your lard in an ovenproof bowl and place in an oven at 180 until melted.

Step 2- Place your bird seed and anything else like cereal or bread in a separate bowl and mix them together.

Step 3-Ask an adult to help you pour the melted lard into your bird mixture and mix them together.

Step 4- Then spoon your mixture into your cups asking an adult to help you with this step.

Step 5- you then need to leave your bird feeders to set

Step 6- glue your cup on its side on saucer with strong glue and put string around the handle and they are ready to hang for the birds
