

Materials/ingredients needed to make your own Oreo Krushem:

- Food processor
- Oreos
- Milk
- Vanilla ice cream
- Spoon

Ingredients used will roughly make two Krushems

Step 1

Break 2-3 Oreo biscuits into small pieces and place into the jug on the food processor

Alternatively, you could use any chocolate instead of Oreos

Step 2

Next place 2 big scoops of vanilla ice cream into jug

Step 3

Then pour about 200ml to 250ml of milk into the jug

Step 4

Mix all the ingredients together for about 10 seconds until looks quite smooth

If you like it thicker add more Ice cream to it

Step 5

Pour, drink and enjoy
