

### **Could YOU be the next Lord Sugar????**

**Lord Sugar worked in a local greengrocer whilst he was at school to make extra money has a young boy. When he left school he left school at the age of 16. He began selling car aerials and electrical goods out of a van he bought with his £50 savings!! In 1968 he founded his largest business venture 'Amstrad' the rest his history!**

### **IMAGINE**

**How could you make extra money once these difficult times allows us to!!!!**
