The UK has  
59 species of  
butterflies

Let us know if  
you spot any  
others

Above are pictures of some of our British  
butterflies

Why not have a go and see if you can spot  
any when you are in your garden, or when  
out having a walk

After spotting all those beautiful butterflies

Below are a couple of butterfly templates for you to use so why not now have a go at drawing/ colouring your favourite butterfly, or even design your very own butterfly and give it a name

We would love to see your pictures please send them to us so we can share them on our Facebook page for everyone else to see as well
