

Making cards

Apply pva glue onto card, a small area at a time.

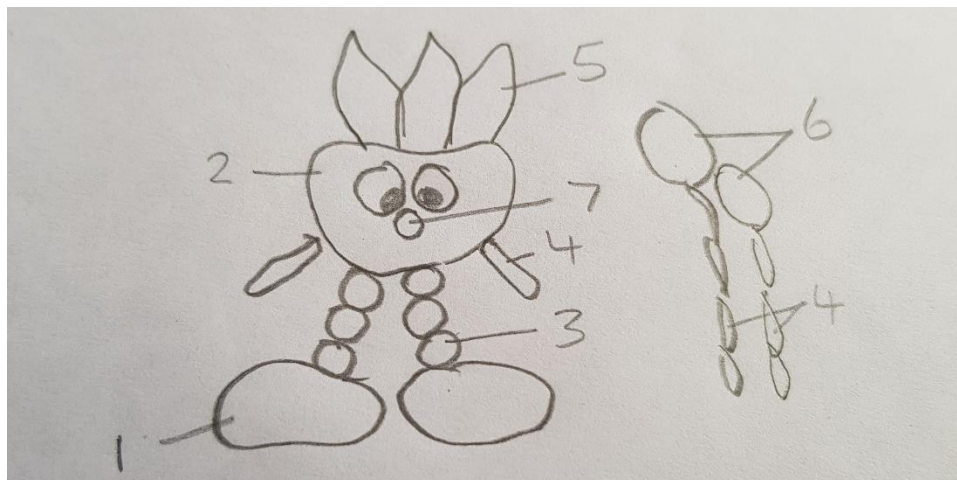

Use a cocktail stick with blue tack on tip to pick up seeds.

Place seeds in desired area.

When dry seeds can be gone over with clear nail varnish, but this is not essential.

Seeds needed

1. Kidney Bean
2. Black Hemp
3. Butter Bean
4. Wild Rice
5. Pumpkin Seed
6. Hemp or Aduki Seed
7. 6 mm wobbly eyes

Happy father's Day
