

# PAPER FLOWERS

You will need;

- Serviette's
- Scissors
- Hair Grips
- Pipe Cleaners (Stem)

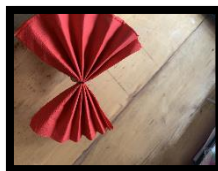

**Step 1. Cut the tissue in half and half again and place the layers on top of each other;**

**Step 2. Fold the tissue into a fan;**

**Step 3. Place the hair grip in the middle of the fan;**

**Step 4. Gently pull the tissue paper up to the centre to form the flower;**

**Step 5. Once you have formed the flower, then cut the pipe cleaner in half and wrap around the hair grip to make the stalk;**

**You now have your finished flower!!!**
